(Ed. Note: The above account did not originate in this office. We only wish we had the information at hand regarding the number of good deeds done by Ken Simpson. PRESIDENT OF YOUTH FOR CHRIST INTERNATIONAL SPEAKS AT MOUNTAIN VIEW BIBLE COLLEGE

"A mother doesn't answer every cry of her child but let it cry in real need and she is right there. It is so with God he reminded.

Dr. Cook spoke before an appreciative audience of students and faculty of Mountain View Bible College and a number of visitors regarding the facing of spiritual facts. He tactfully pressed the matter of strict honesty with God.

He explained that "The evidence

of sin is a refusal to give God His place; and an evidence of sanctity is a willingness to give God His place."

The meeting was not the first he had held at the College, thus a free spirit of unity prevailed as he urged all to "take definite steps in faith as Jarius of Mark chapter 5 did. He shared a brief report on the Japan Youth for Christ Congress of some months ago. He also announced plans of the Youth for Christ organization to hold a congress in Venezuela, South America in the month of August.

SKATING

Just follow the lines.

The arena schedule is rounding in to an understandable position and the latest report from the board of management divulges the following:

Skating from 7:30 to 9:30 p.m. on Monday, Wednesday and Friday. Afternoon skating, 3:30 to 5:30 p.m., Monday, Wednesday and Friday; 2:30 to 5:00 p.m., Saturday; 2:00 to 5:00 p.m. Sunday.

Hockey practices or games will be held Tuesday, Thursday and Saturday evenings, with pee wee hockey holding the spotlight on Saturday mornings.

It is expected the arena will be open for skating this coming Sunday and those who wish to use their talents on the ice surface are reminded that without a season ticket regular charges are in effect at all times.

Speaking of the arena, we understand unauthorized persons have taken it upon themselves to enter the arena at times when no skating was scheduled. The board will announce activities to take place. Any person entering the arena during unscheduled hours, without authority of the board, and when the caretaker is not present, will be prosecuted.

That's the final word from the men who manage the arena. Let's stick to the letter of the law.

HOCKEY

Not too much in this line yet but we do know the lads, high school and seniors, are practicing at every opportunity and should be rounding into shape soon. At present time, there is no definite schedule from the school or the Chinook League, but from what we understand the latter entry will play in Carstairs on Friday night and take to the ice lanes at the local arena, against Innisfail, at 9 p.m. Saturday night. If you want hockey in Didsbury this season, be there. No team ever went away without the support of local fans.

We might mention that only local players will be wearing the uniforms which represent Didsbury.

To date no name has been named on the senior entry but we expect to have them tabbed shortly.

Game time: 9:00 p.m. Saturday.

WOMEN'S CHRISTIAN TEMPERANCE UNION

The November meeting of the Women's Christian Temperance Union at the Mountain View Bible College was opened by Mrs. Arthur Eby the president.

All enjoyed the devotionals by Miss Gladys Eby of the College staff. Her text was Acts 26:19: "Whereupon, O King Agrippa I was not disobedient unto the heavenly vision."

In the absence of Mrs. Fretwell of Clive the district president, three others spoke of some of the 22 departments of the Alberta work.

Mrs. Ray Shantz, Alberta Superintendent of the Evangelistic work, said that all meetings were opened with scripture and prayer. All the work of all the branches were done in a Christian spirit.

Mrs. Wilmer Reist explained the work of the Patriotic departments. International relations: Lord's Day observance; Christian Citizenship and Consecration; and legislation and law.

Mrs. Dave Jensen gave an outline of the Education work. The national Temperance Study Course; Scientific Temperance Instruction; Literature; Medal Contest and press. The singing of several hymns, conducted by Mrs. Harley Traub was an inspiring aid, a duet by Grace Eby and Carolyn Snyder and a trio by the college girls: Evelyn Neilson and the Seabrand sisters.

A skill was given by Mrs. Ira Stauffer and Mrs. Lloyd Stauffer about "She would it she could." It showed how unreasonable and laughable are some of our excuses.

This was a good, well attended meeting with visitors and new members.

The next meeting will be December 8 at the home of Mrs. Edna Eby.

A very enthusiastic gathering of approximately 75 persons attended the hail suppression meeting in the Lions hall here on Monday night.

Three Hills association sent a three-man delegation to explain the plan and answer questions about this all-important plan. Full details were given but until a survey has been made by trained personnel as to what air can be protected, no final decision can be made. Before this survey is made it will be necessary to have the plan O.K.'d by the provincial government.

An association was formed at this meeting with Tom Morris as president and Fred Noley, secretary. It will go under the name of Mountain View Hail Suppression Assoc., Ltd. Included on the executive are: Roy McNaughton, H. Hoesgood, Earl Dodd, Roy Gale, H. Roeder, O. Shaw, Van Haaften and Rod Tait.

As was mentioned, legislation will be necessary before the plan can be put into effect, but it is hoped it will be in operation in 1956.

Notes From D.A.

By Howard J. Fuleher

Accident prevention is an important part of farming. Most farm accidents can be avoided and the resulting suffering and expense eliminated.

The following suggestions if followed will help greatly:

1. Keep gates and doors in good repair.
2. Use the right tools for the job. Keep them in their place and in good repair.
3. Do not use kerosene to start fires.
4. Avoid strain when lifting heavy loads.
5. Stop machinery before unclogging, oiling or adjusting.
6. Keep all machine guards and safety devices in place.
7. Start tractor smoothly and turn slowly — always hitch to the drawbar.
8. Handle animals with care, avoid excitement, handle a bull as a bull.
9. Be careful with matches and cigarettes.
10. Give prompt attention to even minor injuries.

Remember, on the average about 300 Canadians lose their lives each year as a result of accidents which occur on the farms. Many more are injured, some of them crippled for life.

Accidents often happen during the busiest seasons but many occur in slack time mostly caused by a little carelessness.

STOTT'S JEWELLERY in Olds have a much larger selection of quality Christmas gifts now on display. Make your selection now — pay later.

Ramblin' . . .

This week we're going to take a whirl at past, present and future events:

Past —

GREY CUP — Everyone, but everyone, is talking of the fall football classic, played in Vancouver Saturday. We heard it on radio, watched it on TV, and like everyone else are convinced that the best team won.

Present —

ARENA — Skating schedules are on the make, hockey is being arranged for midgits, high school and we understand Didsbury will have a team in the Chinook League, which includes teams from Stettler, Crossfield, Red Deer, Carstairs, Trochu, Innisfail, Burnt Stick Lake and Didsbury. (The press was not invited to the organization gathering, consequently more details are not available at this time).

STOP SIGNS — Not again! However we are one of those who travel past the local school more than once a day. The sign designating it as a school zone seems to have been operated on by some over-exuberant students. At the moment it may as well not be there. By the time you spot it laying in the snow, it's too late to slow down.

Past and Present —

The Didsbury Board of Trade Shopping Carnival deserves a spot here. Merchants have come up with the bargains, customers have shown their appreciation — all we can add is to suggest you "Shop at Home in Comfort!"

Future —

SCHOOL CONCERT — The young ones who attend school here will be strutting their stuff here Friday night in a variety program. Whether you have a representative in the cast or not, you're going to miss a real show if you're not present.

CURLING CLUB — Yes, the club will hold a turkey bingo Saturday night. A good time to pick up your Christmas dinner.

CHURCH TEAS — Should you look in our coming events column the story will be self-explanatory.

"WHAT WOULD YOU DO?"

A small son was left at the home of a neighbor while the parents went to a banquet in the city. After the parents left the neighbor said to the boy, "My but your mother looks nice tonight. She is so well dressed."

"Yes," said the boy "she has on everything now she got at Christmas!"

Well what would you do?

Some few years ago the "Reader's Digest" carried a story about a small town at Christmas time. The people in the town undertook to portray the first Christmas. They chose good actors and were having regular rehearsals. About that time a family, forced from their farm home, because of debts accumulated during the father's sickness and death, came to town. This family was destitute. Some of the children were very sick. The people, who generally would have given them much help, were too busy preparing for their Christmas entertainment to notice a real Christmas opportunity. It was learned later that a tragedy had been averted, by one old man who lived in a shack at the town's edge. He helped nurse the sick children. He took them soup and other food-stuffs. He carried wood several blocks across town from his own woodpile to keep their fire going. What would you do?

Many aged couples live comfortably by themselves for years. Then one becomes ill; with some long drawn out sickness. The other carries on without a word of complaint. Then on some unexpected day that one is taken sick, never to recover. How surprised we all seem to be. There it is again, we say; the sickly one left and the healthy one taken. Well what should we do?

A middle-aged man, much complained about by those who knew him, came to the minister one day. This is about what he said. You think I am a no good. Well maybe I am. My father was a drunkard before I was born. I never saw his sober. I did not understand then but I remember I felt happy the day I saw my father dead. I knew then he could not hurt mother or the children any more. What would you do?

It was after 4 p.m. School had been let out. The children were on their way home. In the school a lone child was struggling with the problems that were done incorrectly during the class period. The teacher was scolding bitterly because of having to stay so late. The pupil looked up at the teacher and said, "please I am doing my best," then with arms on the desk and face in the palms the child began to cry. In a minute the teacher was standing beside the desk crying also. What would you do?

David Livingstone promised a number of African natives that they would go with him across Africa he would come back with them to their homes. After many weeks of perseverance, and the endurance of untold hardships, they reached Africa's opposite shore.

When there a British ship came into port. The captain wanted to take David Livingstone on board and back to England. It is said he looked at his faithful native helpers, turned his back toward the ship, and once more faced the long jungle trek, thus keeping faith with himself and his men. What would you do?

NO SIDEWAY ACTION !!!

At a dinner party, a famous banker was seated next to a rich young woman whose knowledge of the stock market was considerably less than her fortune. She played the financier with a series of foolish questions, ending up with: "Does your bank's stock go up and down?"

"Generally, Madam," the banker wearily retorted, "I've never seen it go sideways."

1080 POISON: During this past week Mr. Fulcher and myself have been busy almost every day taking the poisoned horse meat out to the bait stations. These sites have been selected and permission obtained from the owners or renters to establish bait stations on these premises.

We will check them from time to time, and if necessary, replenish the supply. The stations are approximately 6 miles apart with only one per township of 36 square miles. Following is a list of the land locations on which poison bait has been set:

S.W. Sec. 17; Twp. 32; Rse. 5; W. of 5th.

S.W. Sec. 16; Twp. 31; Rse. 5; W. of 5th.

S.E. Sec. 10; Twp. 30; Rse. 5; W. of 5th.

S.E. Sec. 23; Twp. 29; Rse. 5; W. of 5th.

S.E. Sec. 13; Twp. 29; Rse. 6; W. of 5th.

N.W. Sec. 19; Twp. 32; Rse. 6; W. of 5th.

S.W. Sec. 26; Twp. 33; Rse. 5; W. of 5th.

S.W. Sec. 2; Twp. 33; Rse. 4; W. of 5th.

S.E. Sec. 9; Twp. 32; Rse. 3; W. of 5th.

S.E. Sec. 8; Twp. 32; Rse. 2; W. of 5th.

N.W. Sec. 21; Twp. 33; Rse. 7; W. of 5th.

S.E. Sec. 28; Twp. 33; Rse. 6; W. of 5th.

To date a total of 12 bait stations have been set up. Since they must be established at least 1 mile from habitation they are of necessity limited to sparsely settled areas. This is to be considered as a line of defence on our borders. Those who have coyote problems can still use coyote pellets and cyanide guns, on their own property.

Please do not investigate these 1080 bait stations. Leave them strictly alone. We will be taking care of them ourselves. If you live within their vicinity and have a dog, be sure to keep it at home.

WHO SAID THAT ???

A lady was addressing a women's club on a bill to admit refugee children to the United States.

"Do you mean to say," interrupted a member indignantly, "that you'd admit a child unseen?"

"What's so unusual about that?" answered the speaker. "I never saw any of my children until they were delivered."

When I was young and spry and say.

I eyed each gal who came my way.

Now that I'm older, I admit.

I haven't changed a single bit.

Safety Sam Says...

WATCH HOW YOU PASS OTHER CARS WHEN IN A HURRY!

How often have you seen a car suddenly try to pass on the right — squeezing through at an intersection, possibly forcing you to take evasive action to avoid being sideswiped.

It's trying on the nerves to say the least — it can cause a serious accident.

When in a hurry, there is always a

strong temptation to take advantage of the other driver to make time. Suppress this urge and let your sense of fair play and courtesy prevail.

WEDDINGS

DICK-STRAND

Marriage vows were exchanged on October 31, in St. Declan Roman Catholic Church, at Brightside, Ont., when Mary Theresa, daughter of Mr. and Mrs. G. Strand, became the bride of Mr. Robert Joseph Dick, eldest son of Mr. and Mrs. J. Dick of Didsbury. Rev. Father Raymond J. Burke officiated, and Miss Margaret Burns was organist.

The bride, who was given in marriage by her father, wore a strapless gown of white tulle, with a long, dove lace jacket which buttoned to the waist and was trimmed at the collar with iridescent sequins and pearls. Her fingertip veil was held in place by a headpiece of pleated tulle trimmed with iridescent sequins and pearls, and she carried a bouquet of American Beauty roses. Miss Norine Strand was her sister's bridesmaid. She wore a gown of blue nylon lace over net. Her shoulder length veil was held in place by a headpiece of blue and white and she carried a nosegay of yellow roses.

Mr. Bud Faubert was best man. Following the ceremony, a reception was held at the home of the bride's parents for the immediate families.

Following a honeymoon trip through Ontario and eastern U.S., Mr. and Mrs. Dick have taken up residence at 1115 Grosvenor Ave., Winnipeg.

WILKINS - SCOTT

An afternoon ceremony on Remembrance Day, November 11, 1955 took place at St. Cyprian's Anglican Church in Didsbury when Miss Evelyn Marjorie Wilkins became the bride of Mr. George Edward Scott.

Canon W. H. Morgan of Calgary performed the marriage service for the only daughter of Mr. and Mrs. S. J. Wilkins and the third son of Mr. and Mrs. Ira Scott.

Yellow and white chrysanthemums and baby mums decorated the altar to which the bride was escorted by her father.

The bride was dressed in a blue-grey woolen suit with accessories and carried her white prayer book decorated with white gardenias and yellow rose buds tied with stephanotis.

Mrs. Gwen Wood dressed in a dusty rose suit with hat to match and wearing a corsage of white shaded baby mums acted as matron of honor with Mr. Tom Scott of Calgary assisting his brother as best man.

Mrs. H. Lynch-Staunton played the wedding music during the signing of the register.

Pink rose buds and tiny white baby mums decorated a lovely three-tiered wedding cake set amid yellow and white chrysanthemums and pink candles on the wedding table.

Mr. Clifford Murphy of Didsbury, uncle of the groom, acted as MC while Mr. Amos Wilkins of Calgary, uncle of the bride gave the toast to which the bridegroom duly responded.

The bride and groom are residing in Didsbury.

BRS - SANG

Of interest to many friends in Didsbury as well as East Kootenay was the marriage recently of Sharon Mildred Sang, only daughter of Mayor and Mrs. R. E. Sang, to Robert Bruce H. Erb of Didsbury. The ceremony was at the United Church where the bride's parents' wedding ceremony 25 years ago was the first marriage performed in the recently completed building.

Her father gave her in marriage, and Mrs. Dean Manning of Calgary was matron of honor. Bridesmaid was Miss Donna Wheeler of Vancouver and Debby Scott was flower girl.

Groomsman was Earl Erb of Didsbury and ushers Bruce Hogle of Medicine Hat and Robert Sang Jr. of Cranbrook.

A reception followed the ceremony at the Masonic Hall where the toast to the bride was proposed by J. P. Scott, the bride's uncle. At the reception the bride presented her wedding bouquet of tallies roses and lily of the valley to Mr. and Mrs. W. H. Wilson who were among the guests and were marking their 53rd wedding anniversary that day.

The couple left for Spokane on their wedding trip. They will make their home in Calgary.

BURNS - HADLEY

Autumn-toned chrysanthemums and lighted white tapers in pedestal sandalabra formed a pretty setting for a candlelight service held in Knox United Church, Monday, November 14, at 7:30 p.m. when Grace Ellen Hadley, daughter of Mr. and Mrs. W. H. Borkert of Prince Albert, Sask., became the bride of George Kenneth Burns son of the late Mr. and Mrs. G. A. Burns.

Rev. T. J. Stainton officiated at the ceremony.

The bride chose a street-length dress of flamingo wool with matching hat and carried a white Bible. Her corsage was of white gardenias. The bride was attended by her sister, Mrs. William Cowan, who wore a street-length dress of brown wool

LIGHT YOUR WAY
WITH BIBLE STUDY

The heat is on. The hectic pace of the weeks before Christmas is making a madhouse of many of our homes once more. Shopping, wrapping, and mailing; cards, ribbons, and stickers; cleaning, cooking, and baking; plane parties and programs — it's the old story over again.

The world is getting ready for a birthday, and thousands have no idea whose birthday it is; and, what is worse, many of them will be too busy to find out.

The Christian Church must remind the world that Christmas is the birthday of the Son of God. "Unto you is born in the City of David a savior, which is Christ the Lord." Luke 2:11 This birth announcement makes Christmas for the Christians.

Christmas is the birth day of the world's Redeemer. Let's keep it that. Let us crowd our Christian Churches with festival throngs, not only on the day of Christmas, but also in this Advent season. Let us fill the air with joyful hymns and joyful carols, extolling the wondrous love of God in giving to us poor mortals His only begotten Son as Savior. Let us worship at the manger bed, in all humility fall before Him who came to bear our sins that we might have forgiveness. In that way, and in no other way, will we be able to rescue Christmas from those influences which would make it a pagan holiday.

Will the Christ of Christmas find you celebrating His birthday? Or will He just find you celebrating?

ON QUOTA...

When his doctor advised a change of climate the eastern city dweller went out West looking for a healthy place to live. In one small town he approached an oldtimer who was sitting on the steps of the general store.

"Say," he asked, "what's the death rate around here?"

"Same as it is East," came the answer, "one to a person."

with tan accessories and a corsage of bronze chrysanthemums.

Mr. Harold Burns of Edmonton, brother of the groom, was groomsman and the guests were ushered by Mr. C. Leeson and Mr. W. Cowan.

Mr. Carlton Leeson, sister of the groom, played the wedding music. During the signing of the register, Mr. J. Hooper sang "O Perfect Love."

A reception was held at the home of Mr. and Mrs. W. H. Cowan where Mr. Cowan proposed the bride's toast to which the groom fittingly responded.

Mrs. T. J. Stainton poured tea from the bride's table. Mrs. C. Leeson and Mrs. Harold Burns assisted Mrs. Cowan in serving.

During the cutting of the bride's cake Mrs. Spencer Burns of Vulcan sang "Till Walk Beside You" and previous to the departing of the guests sang "Bless This House."

Following a honeymoon trip to Hawaii Mr. and Mrs. Burns will be at home to their many friends.

DISTRICT NEWS**M.V.B.C. NEWS**

President Taylor is holding evangelistic meetings in the Bergen United Missionary Church this week. Rev. and Mrs. C. J. Hallman are stationed in that church and will greatly appreciate the help given in this way. Mrs. Taylor and speaker in the students will accompany Mr. Taylor each night and provide music for the services.

Friday evening the Youth Fellowship of the local church entertained the College students at a party in the school basement. A large number of young people came and enjoyed the evening.

Mrs. Lydia Suder was the guest speaker at a Fellowship Supper in the Church of God, Carstairs on Friday evening. She showed her pictures taken while she toured Palestine and Europe this past summer, and she spoke of the many things of interest in that tour. On Sunday Mrs. Suder was guest speaker in the Nazarene Church, Rosscarrock where Miss Walsh is Pastor at present.

Mr. Helmut Fester, a senior student in the College, was guest speaker in the Montgomery Church while the pastor, Stanley Cox spoke elsewhere.

On Sunday the students of the College took the Sunday service in the United Missionary Church here. Every department of the Sunday school and church was filled by students, but the main speakers were as follows: Superintendent of the Sunday school, Mervin Traub; speaker in the morning service, Harley Deck; speaker for the evening services, Kenneth Shamus. The latter two will graduate this coming spring. The College was privileged in having as chapel speakers during the week two outstanding men in Youth for Christ International, namely: Rev. Peter Deynaka, and Dr. Bob Cook. Rev. Bob Simpson was instrumental in making the arrangements for these gentlemen to be with us. They were greatly appreciated.

Mrs. Vera Forrest who has been doing Sunday school promotion work in many of the United Missionary Conferences held a service for Sunday school workers in the church on Tuesday evening, and addressed the class in Religious Education in the College on Monday morning. She has done much to stimulate interest in this phase of church work.

We are still wondering if there is any one who would let us use, or give to the College their good plans. We are needing three good instruments and should have them soon. Arthur Bay has finished additional shelves for the growing library. This work is quite necessary around the school for we are anxious that the library shall increase as rapidly as possible. In one College in which the writer taught a number of years ago, people within the College placed good books in the library in memory of loved ones who had passed on instead of putting flowers on the grave. Perhaps we don't do that so much in this country, but the idea of a memorial of this sort should appeal to many of us. We would be glad to select the book for you, and would place a notation in the book noting why it was given.

Mrs. Hedebrand who has helped us so much in the kitchen and otherwise is holding special meetings each evening for this week in the Mountain View United Missionary Church. Some of you may want to visit the services and hear her speak.

WHAT'S IN A NAME?

Proud parents, searching for an appropriate name for a new baby, are frequently warned to avoid giving a boy a fancy name. The theory is that anything more unusual than Bill or Joe will handicap the infant in his later life and particularly if he goes into politics.

Here in Canada, the "keep it simple" theory seems to stand up pretty well. Among the 18 cabinet ministers at Ottawa, three are named James, two John, two Robert, and two George—that's 9 out of 18 that are as plain as an old board fence. As to the rest, Paul, Clarence, Louis, Hughes, Stuart and Walter are common enough among Canadian boys. Just about the only unusual names in the cabinet are Lester, Milton, and Roch.

On the other side of the House, we encounter plain names again in the official opposition. Both the leader of the Conservative Party and its chief organizer are named George. Its two leading talkers are John and James.

In the other opposition parties, however, the situation is a little different. The leader of the CCF party has the unusual first name of "Major." The Social Crediters are led by a man named "Solon."
